

# International Conference on **RADIOECOLOGY & ENVIRONMENTAL RADIOACTIVITY**

## CALL FOR PAPERS - REMINDER

**7-12 September 2014**  
**in Barcelona, Spain**

### Call for papers

Abstracts, not exceeding 500 words, should be submitted to the conference organizers **before 1 November 2013**. These abstracts will be reviewed by the Scientific Committee and authors will be notified whether or not their abstracts have been accepted before 15 February 2014. Authors of accepted abstracts will be asked to submit short papers for inclusion in Proceedings published on the conference website before 15 May 2014.

Please send your abstract **before 1 November 2013** via the website [www.icrer.org](http://www.icrer.org)

### Topics to be included

- Nuclear Legacy
- Risk characterization and assessment
- Emergency Preparedness, Rehabilitation and Management
- NORM, including technologically enhanced NORM from industry and radon
- Radioactive Waste Management & Disposal
- Radionuclides Speciation & Ecological Transfer
- Radioecological Sensitivity in extreme environments
- Environmental Protection, Surveillance and Risk Management
- Multistressor and radiobiological effects
- Lessons learnt from the Fukushima accident

### Conference Structure and Deadlines

The main conference sessions will be comprised of selected oral presentations. Sessions will also be included for short oral presentations of selected posters. A poster exhibition will be arranged for all accepted posters.

### The Conference is organized by

Norwegian Radiation Protection Authority (NRPA) and Institut de Radioprotection et de Sûreté Nucléaire (IRSN)

Co-sponsored by World Health Organization (WHO)

### in co-operation with

International Atomic Energy Agency (IAEA)

United Nations Scientific Committee on the Effects of Atomic Radiation (UNSCEAR)

Organisation for Economic Co-operation & Development/Nuclear Energy Agency (OECD/NEA)

International Commission on Radiological Protection (ICRP)

International Union of Radioecology (IUR)

Centro de Investigaciones Energéticas, Medioambientales y Tecnológicas (CIEMAT)

Arctic Monitoring Assessment Programme (AMAP)

European Radioecology Alliance

Journal of Environmental Radioactivity (JER)

The Conference will be the Third International Conference on Radioecology and Environmental Radioactivity building on the success of the previous events held in Bergen, Norway in June 2008 and Hamilton, Canada in June 2011.
