

Please submit **now** your abstract for oral presentation or poster online on www.insinume2012.com, section "Abstracts & Papers". Deadline is 1st December 2011.

Dear All,

The Institute for Radioelements (IRE) and its subsidiary IRE ELiT (www.ire.eu), in co-operation with the International Union of Radioecology, the European Commission and the International Atomic Energy Agency, are organizing the 6th International Symposium on **IN SITU NUCLEAR METROLOGY AS A TOOL FOR RADIOECOLOGY** (www.insinume2012.com). The 2012 conference will address a rather broad scope of topics in **radiological monitoring of the environment and radioecology**.

For its 10th anniversary, INSINUME 2012 will be held from 11th to 15th June 2012, in Brussels (Belgium).

The Organizing Committee is now looking forward to receive your abstracts for oral presentations or poster to be included in one of the 6 sessions.

- Session 1: Regulatory framework concerning the release of radionuclides and the monitoring of radioactivity in the environment*
- Session 2: New technologies and methodologies in radioactivity metrology*
- Session 3: Quality Assurance*
- Session 4: Radioactivity levels in environment and transfer of radionuclides*
- Session 5: Impact of radioactivity on environment and population*
- Session 6: Nuclear metrology in incidental/accidental conditions*

More details about the sessions can be found on www.insinume2012.com, section "Topics".

We kindly remind you that the deadline for abstract submission is 1st December 2011.

Please do not hesitate to circulate the third announcement in your institutions, professional bodies and to all your colleagues potentially interested.

Thank you.

Best regards,

The Organizing Committee – Jean-Pierre Lacroix, Grégory Delécaut and Isabelle Dumont –
