

ERMSAR 2015

7th conference on SEVERE ACCIDENT RESEARCH

March 24 - 26, 2015 Marseille FRANCE

Call for papers

The 7th ERMSAR conference (European Review Meeting on Severe Accident Research) of the SARNET network is organised, for the first time, in the frame of the NUClear GENeration II and III Association. Created in 2012, NUGENIA gathers different networks, SARNET being one of them. The conference, open to both SARNET and non-SARNET members, will focus on the latest progress of international knowledge on severe accidents and will be an opportunity for researchers to discuss future R&D priorities in this field.

CONFERENCE TOPICS

- In-vessel corium and debris coolability
- Ex-vessel corium interactions and coolability
- Containment behaviour incl. H₂ explosion risk
- Source term issues
- Impact of severe accidents on the environment
- Severe accident scenarios
- Emergency preparedness and response

Communications on the Fukushima Daiichi accident and its follow-up are welcome.

REGISTRATION FEES

Delegates /students:

500€ / 400€ before December 10, 2014

700€ / 550€ after December 10, 2014
