

Regional networks:	
SPERA	South Pacific Environmental Radioactivity Association
ALLIANCE	European Radioecology Alliance (supported by STAR and COMET)
NCoRE	US National Center for Radioecology
Asian Network	IUR Task group on radioecology in Asia
Arctic Council	Arctic countries and regions
IER, Fukushima Univ.	International collaboration on Fukushima related radioecology
OSPAR	Oslo-Paris Convention for the protection of the marine environment of the North-East Atlantic
CIS countries	Scientific Council of the Russian Academy of Sciences in Radiobiology
<i>South America*</i>	<i>Laboratories active in Radioecology</i>
Networks led by international organizations:	
IAEA	International Atomic Energy Agency (Coordination Group on Radiation protection of the Environment, MODARIA programme modelling and data for radiological impact assessment)
IUR	International Union of Radioecology
ICRP	International Commission on Radiological Protection (Framework for environmental risk assessment based on reference animals and plants)
SETAC	Society for Environmental Toxicity And Chemistry
<i>UNSCEAR*</i>	<i>United Nations Scientific Committee on the effect of Atomic radiation (Post-Fukushima impact assessment)</i>
Problem-oriented Networks established by professionals	
BIOPROTA	International collaboration on biosphere research for radioactive waste disposal
Ring of Five	IUR Task group on Low-level atmospheric contamination watch and surveillance

**To be formally confirmed*
